Institute of Certified Bookkeepers

**Level II Certificate in Bookkeeping
Syllabus from April 2014**

Level II Certificate in Bookkeeping

**Level II Certificate in Bookkeeping
from April 2014
Course Code L2C**

Introduction

The Level II Certificate in Bookkeeping covers the basic principles of single and double entry bookkeeping and its application to business in both a manual and a computerised system.

Occupational Role: Assistant Bookkeeper

Upon completion of this qualification candidates will be able to carry out the role of an employed assistant bookkeeper under supervision. They should be able to demonstrate a full understanding of the concepts of double entry bookkeeping and its place in modern business, enter transactions into a bookkeeping system and produce an initial trial balance.

Pre requisites

No prior bookkeeping knowledge is assumed at this level but candidates must have basic numerical skills.

Qualification aims

On completion of this level of study a candidate will be able to:

- Understand the following areas of underpinning knowledge:
 - The importance of adhering to a code of professional ethics
 - The differences between the structure of different types of businesses
 - The importance of legislation that applies to bookkeepers
 - The basic elements of a contract
 - The accounting equation
 - The concept of reporting on a cash basis for income tax purposes
 - The concept of business entity, duality and historical cost
- Understand banking procedures including the need for security
- Understand the purpose and range of business documents, and accurately prepare them
- Understand the purpose of, and make entries into a recognised bookkeeping system
- Understand the process of dealing with and how to account for VAT
- Understand the purpose and use of an analysed cash book and the petty cash book
- Understand the purpose and use of the trial balance
- Understand when a suspense account would be used
- Set up a business in a computerised system
- Print out reports as follows:
 - Trial balance
 - Audit trail
 - Nominal account transactions
 - Credit sales and purchases transactions
 - Banking and VAT Reports

Assessment and Grading

The testing of knowledge and skills for the qualification will comprise three online assessments, all of which are taken in the candidate's home or place of work. The first two will test manual knowledge of double entry bookkeeping to trial balance for a variety of types of businesses; the third will test the set up and data entry to trial balance using a computerised system. The content of each assessment is listed below, together with the relevant weighting of each section within each paper.

Paper B1 – Basic double-entry bookkeeping to trial balance

Home /place of work based assessment to include:

- Underpinning knowledge
 - terms in bookkeeping (assets, liabilities etc.)
 - banking procedures
 - Understanding the different categories of VAT (standard, reduced, zero, exempt, outside the scope)
- Calculation of business documents including calculation of VAT
- Showing an understanding of the effect of entering transactions into a bookkeeping system
- making and receiving payments
- Production and explanation of a trial balance

Paper B2 – Further double entry bookkeeping to trial balance

Home /place of work based assessment to include:

- Underpinning knowledge
 - ethics
 - legislation
 - types of businesses including simple cash based businesses
 - identifying sections of the ledger
 - accounting concepts
- Further double entry including the following
 - Topics from paper 1
 - control accounts
 - Writing off a bad debt
 - Construction Industry Scheme
 - Non-sole trader entries (subscriptions, donations, drawings of partners etc)
- Making and receiving payments
- Production and explanation of a trial balance

Paper B3 – Data entry to trial balance using a computerised accounts package

Home /place of work based test to include the use of a computerised accounting package to include:

- opening entries
- entering cash and credit transactions
- producing a trial balance
- producing reports for debtors, creditors, bank, VAT and the audit trail

The three assessments should be taken in the order listed above.

Each assessment will generate an accreditation notification. Successful candidates will need to pass all three assessments to gain the full qualification.

The full qualification will be graded at Distinction with Honours, Distinction, Merit or Pass

Because all assessments are taken at home or at the place of work, each test will be graded as follows:

Distinction	95 -100%
Merit	90 - 94%
Pass	85 - 89%
Fail	0 - 84%

Once all assessments have been successfully completed the final certificate will be awarded which will be graded at Distinction with Honours, Distinction, Merit or Pass. Unit results will be averaged. To achieve the relevant grade in the full qualification, the following overall average marks must be achieved:

Distinction with Honours	98% and above (with all 3 papers being graded at Distinction)
Distinction	95% – 97% (all 3 papers must be either Merit or Distinction)
Merit	90% - 94% (can be a mixture of grades)
Pass	85% - 89% (can be a mixture of grades)

Level of Membership

Successful achievement at the full qualification will lead to the offer to upgrade to Affiliate Member of ICB and the award of the designatory letters AfICB.

Topic 1 - Underpinning Knowledge

Learning Outcome	Assessment Criteria
1.1 Understand the importance of adhering to a code of Professional Ethics	<p>Be able to:</p> <ul style="list-style-type: none"> • explain why each of the following professional values is important to bookkeepers and why they should adhere to a code of ethics <ul style="list-style-type: none"> - Confidentiality - Security of data - Competency - Duty of care - Integrity
