1. About ICB

The Institute of Certified Bookkeepers (ICB) is the largest bookkeeping institute in the world. It promotes and maintains the standards of bookkeeping as a profession through the establishment of relevant qualifications and the award of grades of membership that recognise academic attainment, working experience and competence.

In ICB's role as a membership body it provides ongoing support to members to ensure they are knowledgeable and up to date with the latest legislation, mindful of their ethical obligations, and best-placed to provide a trusted and exemplary service to business.

ICB Objectives:

- to promote bookkeeping as a profession
- to increase recognition for bookkeeping as an integral part of the financial profession
- to promote education and learning
- to enable the achievement of a recognised bookkeeping qualification
- to provide a trusted benchmark for the profession
- to improve the career prospects of ICB members

ICB Principles

ICB believes that sound financial management can have a profound effect on society at a personal, professional and global level. ICB is passionate about empowering students of all ages and backgrounds to learn new skills, find fulfilling employment or set up their own businesses. By creating a pool of highly qualified bookkeeping talent ICB endeavours to help business owners take control of their finances at the right cost and, in turn, support the economy as a whole.

2. Introduction to ICB Level 3 Certificate in Bookkeeping and Accounts

The Level 3 Certificate in Bookkeeping and Accounts covers the content of the Level 2 Certificate in Bookkeeping plus the preparation of a VAT Return, adjustments and preparation of final accounts for internal use for business owners (sole traders, partnerships, limited companies and not-for-profit organisations). It also covers the calculation of basic ratios (profitability and liquidity).

3. Qualification Aims

On completion of this qualification candidates will be able to carry out the role of an employed or self-employed bookkeeper, produce a VAT Return, control the sales and purchases ledgers, post year-end adjustments and produce the final accounts for a sole trader, partnership, not-for-profit organisation and limited liability entities. The candidate will also be expected to understand the basics of the various accounting standards that apply (IFRS and UKGAAP) although the preparation of such accounts will not be tested at this level. Successful completion will allow the individual to become a Member of ICB (MICB) and call themselves an ICB Certified Bookkeeper.

4. Pre-requisites

Before commencing the study at this level the candidate should have achieved or been exempted from the Level II/2 Certificate in Bookkeeping (2014 or 2018) or its equivalent with another awarding body.
